## **LINCOLNSHIRE AGRICULTURAL SOCIETY**

The Lincolnshire Agricultural Society has always stated that it is in the best interests of all exhibitors that every effort should be made to safeguard the health of all animals.

This is particularly important when they are all gathered together in close proximity on the Showground.

The Lincolnshire Agricultural Society require every exhibitor to sign the health declaration on the reverse for all livestock and compliance with Show Regulations.

Thank You

**Jayne Southall**  
**LAS Chief Executive**

### **SHOW REGULATIONS/HEALTH DECLARATION**

I, being the owner of, or the duly authorised Agent of Livestock which are to be entered for the Lincolnshire Show declare that the animals described in the Entry Form(s) are free from clinical signs of disease.

I further declare that I will take all due precautions to prevent the animal(s) from being exposed to infectious or contagious disease previous to the Show.

I have read, understand and undertake to abide by the REGULATIONS & INFORMATION and the Conditions specific to all classes entered, as published in the Livestock Prize Schedule.

**Signature required over the page, thank you.**

### **Tuberculosis in Cattle Declaration**

I can confirm that:

- a) The animals I intend to exhibit at the 135th Lincolnshire Show on the 19th & 20th June 2019 have been TB tested according to the testing interval applicable to the county of their holding(s).
- b) Where the county testing interval is 12-monthly, or where circumstances make it applicable (e.g. within a 3km radial testing area), the animals to be exhibited at the 135th Lincolnshire Show have undergone a Pre-Movement TB Test as required under current DEFRA regulations and a copy of the results will accompany my animals to the show.
- c) There are no movement restrictions on the holding(s) that would preclude me from taking animals to the Lincolnshire Show.
- d) Any movements to the 135th Lincolnshire Show comply with the conditions of the General Licence for the Movement of Cattle and 6-day standstills will be adhered to.
- e) I have taken and will continue to take all precautions to prevent the animals being exhibited at the 135th Lincolnshire Show from being exposed to infectious, contagious or notifiable diseases and I undertake the sole liability for any consequences that may arise should intervention become necessary under Regulations imposed by orders of DEFRA and/or any other relevant Health Scheme organisation.
- f) Should the TB status/testing interval of my holding(s) or county change, or movement restrictions be imposed on my holding(s) between completing this form and arrival at the Lincolnshire Show, I will contact the Lincolnshire Agricultural Society immediately.
