

Lincolnshire Show: 22 & 23 June 2022 Scrapie Monitored Status Declaration

In anticipation, that the Lincolnshire Show is granted Scrapie Monitored Status approval, by making entries into the Lincolnshire Show all exhibitors of female sheep are agreeing to the Lincolnshire Agricultural Society's Scrapie Monitored Status declaration, as below.

By agreeing to the Show Regulations & Conditions of the Lincolnshire Show you declare that all animals that you exhibit at the 2022 show:

- a) will not be pregnant (empty)
- b) will not have lambed or aborted in the thirty days previous to arrival at the Showground.
- c) will not be subject to procedures which change the seasonal breeding pattern.

Note: APHA will be informed of any abortions or lambings at the Show.
